JUDGES TASTING NOTE

Four out of five thought this a lovely example of full-on-Pugliese-sun. The wine managed to be well- balanced even with its significant alcohol. Pascaline Lepeltier said it best, "Honest and very transparent wine with a powerful richness in balance both from the tannins the alcohol and the sugars. Deliciously old fashioned."

JUDGES TASTING NOTE

In spite of a hotter vintage, this too showed commendable balance. I said, "A big wine plummy sun-filled with heart." Sebastien wrote, "Old fashioned. Well done!"
